NOTICE OF PUBLIC HEARING

Pursuant to Article 28 of the Annotated Code of Maryland and Chapter 24A and Chapter 33A of the Montgomery County Code, the Montgomery County Planning Board of The Maryland-National Capital Park and Planning Commission hereby gives notice that it will hold a public hearing on the following:

PRELIMINARY DRAFT AMENDMENT TO

THE MASTER PLAN FOR HISTORIC PRESERVATION WESTERN AND UPPER MONTGOMERY COUNTY RESOURCES

THURSDAY, JUNE 27, 1985

at 10.00 A.M.

in the

Montgomery Regional Office Auditorium 8787 Georgia Avenue Silver Spring, Maryland

to take testimony on whether or not the following historic resources presently listed in the Locational Atlas and Index of Historic Sites in Montgomery County should be included in the Master Plan for Historic Preservation:

	A CONTRACTOR OF THE PROPERTY O	With the second
	SITE	ATLAS #
l.	Oliver Watkins/Wells Farm	13/3
	Ridge Road Cedar Grove, MD	
2.	Ned Watkins/Ovid Wells Farm 12001 Skylark Road Cedar Grove, MD	13/7
3.	High View/Burdette Hotel 21010 Clarksburg Road Boyds, MD	13/20
4.	Mount Nebo Mount Nebo Road Poolesville, MD	17/46
5.	Poplar Grove Baptist Church Jones Lane Darnestown, MD	24/16
6.	Darnestown Presbyterian Church & Cemetery 13800 Darnestown Road Gaithersburg, MD	24/19-1

7. Darnestown Historic District Seneca & Darnestown Roads Darnestown, MD

24/19

The Montgomery County Historic Preservation Commission reviewed the architectural and historic significance of these resources according to the criteria listed in the Historic Preservation Ordinance, Chapter 24A of the Montgomery County Code, and nominated one through six for placement on the Master Plan for Historic Preservation. If placed on the Master Plan, the historic resource will be protected under the Historic Preservation Ordinance which provides certain controls regarding alteration, demolition, and maintenance of the property.

The Historic Preservation Commission found Darnestown Atlas historic district did not meet Ordinance criteria for placement and recommends its removal from the Locational Atlas. If not included in the Master Plan for Historic Preservation, any of the resources listed above may be removed from the Locational Atlas. If removed, the sites would no longer be subject to . the provision of Chapter 24A-10, the Moratorium on Alteration and Demolition. All sites will remain on the Maryland Historical Trust's Inventory.

The Preliminary Draft Amendment is available for public inspection at The Maryland-National Capital Park and Planning Commission's Regional Headquarters, 8787 Georgia Avenue, Silver Spring, Maryland.

The purpose of the public hearing is to allow all interested persons to express their views concerning this action. Persons wishing to testify should call 495-4600. If you are unable to attend, write your concerns to the Montgomery County Planning Board at 8787 Georgia Avenue, Silver Spring, Maryland 20907 and they will be made part of the public hearing record.

High View/Burdette (Boyds) Hotel

21010 Clarksburg Road

9.2 acres

- 1887 -- Large Queen Anne style house featuring a central projecting, three-story pavilion flanked on the east side by two porches with a two-story porch on the west side and a two-story square bay window on the north. The house also features a mansard roof with diamond and square shaped slate tiles.
- One of the best extant examples of Victorian 'summer resort' architechture in the County, the hotel reflects the historical development of Boyds as a summer resort during the late 19th century.

17/46 Mount Nebo

Mount Nebo Road

2.97 acres

- Good example of late 18th century Federal style architecture and one
 of very few remaining frame dwellings of this style and age in the
 County.
- Associated with the Fletchall and White families, early settlers prominent in the history of the western part of the County.
- The recommended environmental setting of two acres includes the terracing to the front of the house and the small outbuilding to the rear.

24/16

Poplar Grove Baptist Church

14621 Jones Lane

1.93 acres

- Late 19th century rural vernacular church featuring a gabled facade and three-story entrance tower with no steeple.
- Current 1883 building stands on the site which has been occupied since the early 1800's by a church in the Poplar Grove community.
- The entire 1.93-acre parcel is recommended as the environmental setting and includes the cemetery to the rear of the church yard.

24/19-1

Darnestown Presbyterian Church

13800 Darnestown Road

9.73 acres

- Begun as a rural vernacular frame building in 1856, the church parlor and bell tower added in 1897, impart a Gothic feeling to the persent structure.
- The recommended environmental setting excludes the new construction but incorporates the cemetery and the church yard on the east side of the property up to the road.

- Associated with the Fletchall and White families, early settlers prominent in the history of the western part of the County.
- The recommended environmental setting of 2.97 acres includes the terracing to the front of the house and extant outbuildings associated with the site.

24/16 Poplar Grove Baptist Church

14621 Jones Lane

1.93 acres

- Late 19th century rural vernacular church featuring a gabled facade and three-story entrance tower with no steeple.
- Current 1883 building stands on the site which has been occupied since the early 1800's by a church in the Poplar Grove community.
- The recommended .267 acre environmental setting includes the church, cemetery and the major trees which define the historic churchyard.

24/19-1 Darnestown Presbyterian Church

13800 Darnestown Road

9.73 acres

- Begun as a rural, vernacular, frame building in 1856, the church parlor and bell tower added in 1897, impart a Gothic feeling to the persent structure.
- The approximately 6 acre environmental setting equates to the historic churchyard and includes the cemetery to the rear of the church property, the parking area and yards to the east and south of the church as well as the stone fence which runs the length of the church's frontage along Darnestown Road.

As part of this amendment, the Planning Board reviewed a second resource located on the Ovid Hazen Wells Special Park, the Oliver Watkins Farm.

The Montgomery County Historic Preservation Commission had recommended designation of the building; the Planning Board's vote on the merits of the structure however was split.

The Planning Board therefore makes no recommendation on the designation of the Oliver Watkins house but does recommended inclusion of the following Preservation Commission's findings on the site for purposes of public hearing and action by the County Council:

Site	<u>Name</u>	Location	Associated Acreage
13/3	Oliver T. Watkins House (Wells Farm)	23400 Ridge Road	290 acres (Ovid Hazen Wells Special Park)

- [Stylish late Victorian frame farmhouse constructed in 1892 for Ned Watkins, a farmer and member of the Watkins family, prominent in the history of the Cedar Grove area.]
- The 11.1 acre environmental setting encompasses the entire 4-acre life estate currently held on the farm which includes the Victorian frame house, bank barn, hen and smoke houses, the farm pond and the significant plantings which define the farmyard.
